

# Indulge in the warmth of Cadbury Hot Chocolate

Warm up with the UK's favourite instant hot chocolate from Cadbury. Perfect for staying cosy throughout the colder months ahead. Ideal for the office kitchen, desk or boardroom. Providing your team with a tasty alternative to tea or coffee.

- Vegetarian friendly
- Sustainably sourced cocoa
- Simply add hot water

Since 2012, Mondelez International have ran the Cocoa Life program, an initiative aiming to create a sustainable cocoa supply chain.

The program addresses challenges faced by the farming community, including climate change, poverty, and child labour.

This winter, stock up on hot chocolate that is kind to people and planet.
