

# Prepare for cold and flu season with Banner

As winter approaches, cases of cold and flu often spike in the workplace. Organisations should prioritise a hygienic environment by sanitising common touchpoints and providing adequate cleaning supplies to staff.

Banner provides the essential products to reduce the spread of bacteria and viruses, and maintain a healthy, hygienic environment.

## Facial Tissues Boxed

Made from FSC Certified, sustainable bamboo, these luxuriously soft 3-ply tissues are kind to the skin. The Bamboo is sustainably sourced, and the box is made from plastic free cardboard.

Soft and kind to the skin.

| Code    | Description    |
|---------|----------------|
| 1161764 | Facial Tissues |

## Balsam Facial Tissues Cube

Delicate on noses, these 2-ply soft, strong and absorbent tissues contain calendula, which soothes the skin and leaves behind a micro-fine layer of balm to prevent the skin from drying out.

Contains Balsam to protect the skin.

Ideal for home and office use.
