Solid Soap Dispenser

SNOAP hygienically dispenses powder from soap bars with no mess.

20x the washes.
90% less carbon.
Zero single-use plastic.

Doing Your Bit

Every year in the UK, around 1.8 billion single-use plastic bottles are discarded from everyday washing products. Switching to SNOAP enables businesses to reduce single-use plastic consumption, supporting sustainability goals while demonstrating clear environmental responsibility.

2 bars replace 20 bottles	Clean oceans	Cruelty free	Money saving	Naturally kind ingredients	No mess	No single use plastics	reduced CO ₂ emissions	Refill not landfill	Vegan

How it Works

1. Mount on Wall

2. Kind to your skin.
Simply insert 2 naturally moisturising SNOAP bars

3. Close Door

4. Turn top to dispense SNOAP
