

Stay Powered for Less with Varta

Providing reliable, long-lasting power, Varta Longlife Batteries deliver premium quality performance. With dependable supply and support from Banner, you can source essential workplace products with confidence.

Warmer months drive increased battery usage across both workplace essentials and seasonal products. Varta Longlife delivers the consistent performance businesses need to keep operations and customers powered.

With a strong shelf life and consistent output, the range is ideal for trade environments, supporting stock efficiency and customer satisfaction. Banner works alongside you to ensure you have the right products at the right time to keep your business moving.

Special pricing available until 30th June.
